Director of Development Named at MATHCOUNTS Foundation

BOSTON December 30, 2011 – Nonprofit Professionals Advisory Group is pleased to announce that Paula Posada has been named Director of Development at MATHCOUNTS Foundation. The search was completed by Tracy Welsh, Vice President and Adele Mezher, Managing Associate.

Most recently, Ms. Posada served as an Account Manager for the United Service Organizations, Inc. (USO) managing a portfolio of corporate prospects with sponsorship accounts at the six- and seven-figure levels. The USO's field operations enabled corporations to support national initiatives and programmatic areas such as Wounded Warriors, Children of Soldiers, and Families of the Fallen. Ms. Posada was not only successful in increasing the number of corporate sponsorships, but also deepening existing accounts and leveraging industry partners to propel the USO into new markets.

Earlier, Ms. Posada spent ten years as a paralegal/chief of staff, ultimately in a position with EADS North America supporting a General Counsel overseeing ten domestic and international aerospace/defense subsidiaries. She holds a Master of Arts degree in Advanced Legal Studies and a Bachelor of Arts degree, with a double major in Speech Communications and Political Science, from Southwest Texas State University.

About MATHCOUNTS Foundation

MATHCOUNTS is America's only nationwide enrichment, club, and competition program that motivates and rewards middle school students for math achievement. Its mission is to secure America's global competitiveness by inspiring excellence, confidence and curiosity in U.S. middle school students through fun and challenging math programs.
